Patient Financial Responsibilities

Heartview Foundation's policy is to provide essential services regardless of your ability to pay. Heartview is committed to assisting you to meet the financial responsibility associated with SUD treatment. Heartview will help you explore all available financial support/resources to cover your financial responsibility for treatment.

Private Insurance

Heartview Foundation accepts most private insurances. Upon intake you will be informed of approximate out-of-pocket costs.

Medicaid/Medicaid Expansion

If you do not have private insurance, our staff will help you apply for Medicaid and Medicaid Expansion if you may be eligible.

SUD Voucher

Heartview has trained staff to assist patients in applying for the North Dakota Substance Use Disorder (SUD) Voucher.

This program may be used:

- 1.If the individual resides in North Dakota
- 2.If the individual is 14 years of age or older
- 3.If the individual does not have the resources to pay and the individual's private insurance will not cover all costs of treatment, there is a pending application to Medicaid/Medicaid Expansion, or the individual does not qualify for Medicaid and has no alternative insurance
- 4.The individual has an annual income no greater than 200% of federal poverty guidelines

Payment Plans

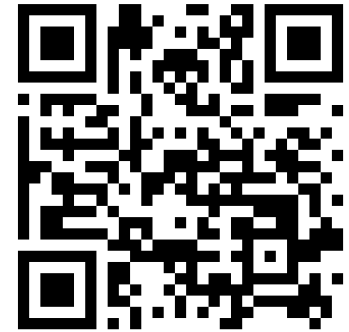

Heartview Foundation works individually with patients to create a reasonable payment plan for out-of-pocket costs. *Contact Heartview's billing department for more details.*

Sliding Fee Discount

Discounted services may be available based on family size and annual income. *The application can be found on Heartview's website.*
